Hi Tim,

I won't be able to talk for a couple of weeks. In the meantime, you might read the briefing re arbitration in the bankruptcy adversary. Also, please consider the serious stay issues involved in your case with Jun Dam as the lead plaintiff.

Hi Pam

Hope all is well. The Court just held the Rule 16 conference. When you get a chance I can fill you in. No rush. Essentially the parties will focus on Perkin's motion to compel arbitration, which is due in about 60 days. I raised the issue of the bankruptcy court handling aspects of the case. The judge said typically he would handle everything, including all pretrial matters and wouldn't use a magistrate, but is open to discussing it further if he ultimately denies the motion to compel arbitration.

Look forward to speaking with you.

- Tim
